EDUCATION COMMITTEE MISSION

Coordinate and provide unique professional educational programs and services to the AIMU members in a manner which favorably and visibly promotes AIMU to the marine business community.

1. Understand the current education needs of AIMU members.

2. Align and coordinate with other AIMU Committees on educational and/or promotional issues.

3. Arrange for educational seminars on an as needed basis.

4. Assist in collecting and providing educational brochures, videos, etc. from members as well as other professional vendors and have them available for use by the members.

5. Maintain a “Speakers Bureau” that would be used as a resource to provide contacts for expert information on marine topics.

6. Liaison with St. Johns University with the administration of the Harold Jackson Scholarship.
