PLEASURECRAFT COMMITTEE MISSION STATEMENT

1. To prepare forms, clauses and endorsements addressing new issues confronting the pleasurecraft line of business for recommendation to the Board of Directors.

2. To cooperate with federal, state and industry groups in discussions concerning the gathering of boating accident statistics.

3. To assist the Education Committee in presenting workshops and seminars and disseminating educational materials on matters of need or interest of the industry.

4. To keep the industry informed of issues affecting the pleasurecraft line of business as respects underwriting and claims.

5. To address the opportunities of attracting P&C company membership of those companies having substantial pleasurecraft premium.
