HULL COMMITTEE MISSION STATEMENT

The Hull Committee has adopted its mission statement as per the following pursuits:

1. To gather and provide information concerning current developments on hull insurance in the domestic and global marketplace.

2. To participate in and assist the education committee in its hull insurance educational efforts.

3. To prepare and recommend new and updated hull insurance forms, clauses and endorsements for consideration and voluntary use by AIMU members.

4. To inform AIMU members of hull loss prevention developments and to encourage the use of practices and procedures that may lead to a reduction in hull losses.

5. To represent AIMU in connection with hull insurance matters at IUMI and other domestic and foreign insurance organizations.
