REINSURANCE COMMITTEE MISSION

Be the eyes and ears of AIMU and its member companies. Report to, counsel and make specific recommendations to the Board of Directors of AIMU in all reinsurance matters impacting the market, including but not limited to:

1. Trends/conditions in the international reinsurance markets and impact of catastrophes.
2. Education of American market as respects reinsurance.
3. Review proposed forms/Clauses for possible impact on reinsurance contracts.
4. Solicitation of new reinsurer members.
5. Research of existing American reinsurance capacity including recommendations for increased utilization and support (keep reinsurance here).
6. Development of marine reinsurance statistics similar to annual operating survey of primary market.
